"Below the surface stream, shallow and light,  
Of what we say and feel—below the stream  
As light, of what we think we feel, there flows  
With noiseless current, strong, Obscure and deep,  
the central stream of what we feel indeed."

*St. Paul and Protestantism*

"Enthusiasm is the genius of sincerity, and truth accomplishes no victories without it."

*Bulwer-Lytton*

"For memory has painted this perfect day  
With colors that never fade,  
And we find at the end of a perfect day  
The soul of a friend we've made."

*Carrie Jacobs Bond*

"Man could direct his way by plain reason, and support his life by tasteless food; but God has given us wit, and flavour, and brightness, and laughter and perfumers, to enliven the days of man's pilgrimage, and to "charm his pained steps over the burning marle."

"Out of the bosom of the Air,  
 Out of the cloud-folds of her garments shaken.  
 Over the woodlands brown and bare,  
 Over the harvest-fields forsaken,  
 Silent, and soft, and slow  
 Descends the snow."

*Longfellow*

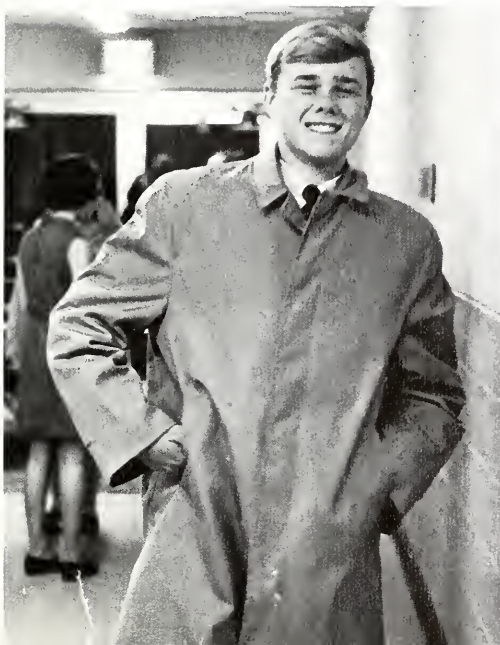

“There is a smile of Love,  
And there is a smile of Deceit,  
And there is smile of smiles  
In which these two smiles meet.”

*William Blake*

Today

So here hath been dawning  
Another blue day:  
Think, wilt thou let it  
Slip useless away?

Out of Eternity  
This new day was born;  
Into Eternity,  
At night will return.

Behold it aforeside  
No eye ever did;  
So soon it forever  
From all eyes is hid.

Here hath been dawning  
Another blue day:  
Think, wilt thou let it  
Slip useless away?

*Thomas Carlyle*

"From stones and poets you may know,  
That nothing so active is, as that  
which least seems so.

*F. Thompson*

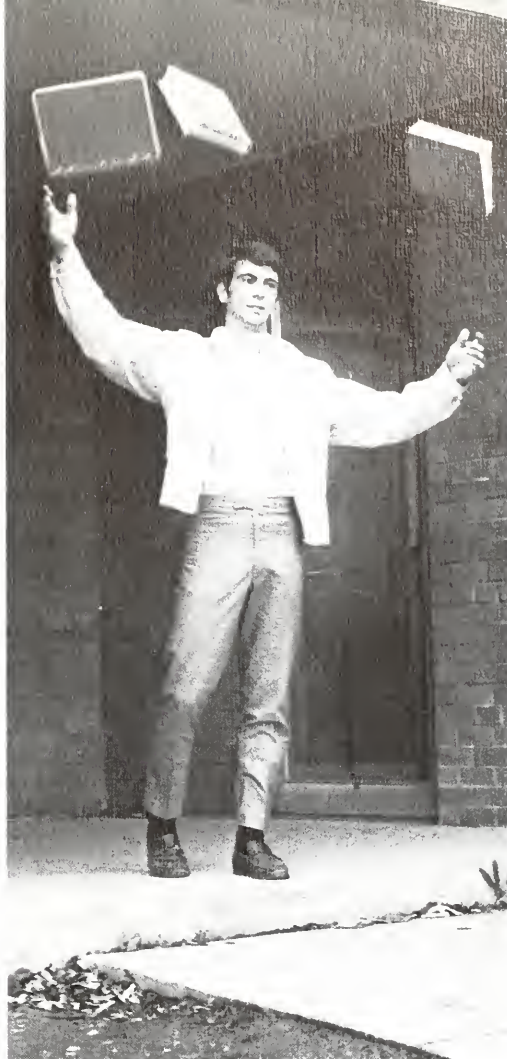

"Winter is past; the heart of Nature warms  
Beneath the wrecks of unresisted storms;  
Doubtful at first, suspected more than seen,  
The southern slopes are fringed with tender green:  
On shelter banks, beneath the dripping eaves,  
Spring's earliest nurslings spread their  
glowing leaves, . . ."

# ORGANIZATIONS

Organizations are an integral part of every school's structure. They strive to make each student aware of his individuality by reminding him of his duty in this world as an active citizen as well as a scholar. Our network of organizations also helps create a unified atmosphere within the student body instilling in each student a sense of his own peace within the Bishop Luers community. Finally, organizations provide an opportunity for group activity, creative or service, which stimulates a desire to extend oneself beyond the scope of high school life.

It took determination, along with initiative and foresight to constitute an effective Student Council. The Luers organization consisted of persons working for the good of the school and in the interests of the students. Introducing and carrying out new programs of intellectual and social nature was the main purpose of the Student Council. Under the guiding hand of Father Kent Hadjuk, O.F.M., the Council's meetings were held on alternate Tuesdays at 7:15. The fifty-two members were chosen on the basis of good character, responsibility, and leadership.

## Student Council

A skating party at McMillan Park was one of the many projects initiated by the council.

Fr. Kent discusses with Barb Bathurst and Tom Strabbing the news of a previous meeting.

The 1968-69 Student Council officers are: Sandi Mattingly, Vice-President; Jim Talarico, Sergeant-at-Arms; Jerry Fabini, President; Jim Garber, Treasurer; and Julie Wiltshire, Secretary.

# Develops Tomorrow's Leaders

Members of the Student Council sponsored many amusing skits for the pep assemblies.

Council members listen attentively to the discussion of new business.

Committee heads, Donna Berghoff, Dick Doermer, Tom Lauer, and Linda Heiny, study particular areas of school life.

The Bishop Luers' Chapter of the National Honor Society grew in many dimensions this past year. The eighty-six members fulfilled their purpose of being of service to both school and community by aiding Miss Virginia in her social work in the inner city. On the academic side, the monthly meetings of the club were enhanced by professional people discussing their particular field of work, thus aiding the students in their choice of careers.

Meetings of the National Honor Society were held the third Sunday of every month at 1:00 p.m. Membership in this organization was based on high academic ratings, good character, ambition, and ability to maintain honor roll standards.

Sister Regina introduces the 1968-69 National Honor Society members.

Loyal citizenship, trustworthy leadership, and other exemplary qualities composed the character of the dedicated members of the National Junior Society of Bishop Luers. The purpose of this organization was to create an enthusiasm for superior scholarship, and to stimulate a desire to serve one's country, community, and school. Sister M. Clare, O.S.C., led the group in their successful year of 1968-69 which brought about many new projects.

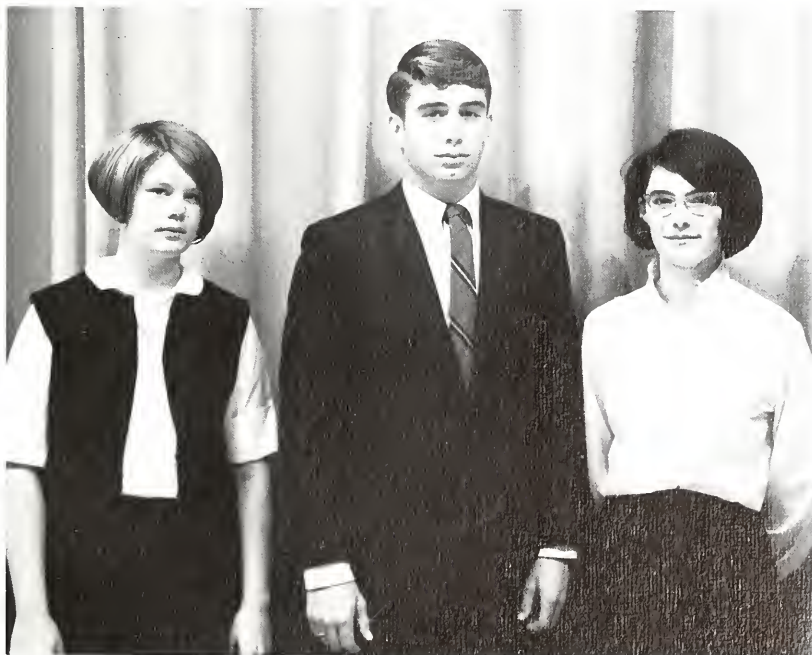

To become a member of this organization, one had to maintain a high scholastic standing throughout freshman and sophomore year, while demonstrating a desire to help in all levels of service.

## Induct Worthy Students

This year's Junior Honor Society's officers are Sue Kress, Secretary; Jim Baclowski, Vice-President; and Debbie Voirol, President.

A very active organization which actualized the Christian ideal of giving oneself to others was the Bishop Luers Chapter of the Key Club. Part of an international organization, the Key Club, headed by Father Vernon Stark, O. F. M., had maintained a very high standing in that group, having been the second and third best club in the state of Indiana over the past two years.

The members took great pride in their club by concretely performing many services for the school and community with no commendation other than the sense of pride that came from working for others. Some of the many activities which the club was involved in during the '68-'69 school year included: parking cars and selling concessions for the varsity basketball games; selling concessions and monitoring the CYO basketball games; setting up chairs and tables for meetings, concerts, and other such activities; sponsoring freshmen and sophomore parties; selling and taking tickets for all school functions; sponsoring the football programs; and cleaning the gym for Sunday night Film Club meetings. Community projects included: slave day auctions, Christmas tree collection, working for Miss Virginia's home, working for Francis Street project, tutoring grade school children at St. Peter's and other inner-city projects.

## Key Club Proves

The 1968-69 Key Club officers are: Dan Kigar, Treasurer; Jerry Fabini, Secretary; Hugh Farmer, President; Frank Young, Vice-president; Rick Quackenbush, Sergeant-at-arms.

Tom Ebbinghaus and Bruce Ottenweller sell dance tickets to Luers' students.

Cleaning the lobby after basketball games is one of the many services offered by the Key Club.

Do, re, mi, fa, sol, la, ti, do . . . and then there was music! Bishop Luers has two organized groups which devote many hours to developing our school's more cultural side. With practice everyday at school, they perfect and enliven their repertoire.

Just new in the business is the Glee Club made up of freshmen and sophomores and under the direction of Brother Dennis. They learn the basics in music and aim for perfection.

The more advanced group is the Concert Choir. They strive for excellence under the guidance of Mr. Voltz.

Frequently, the music groups present performances for the public's viewing at which time their true skill and mastery of music has a chance to show through.

1968-69, the second year for Forest and the Trees, has been a year filled with pride and adventure—a year of eventful entertainment. Headed by Father Forest McAllister, O.F.M., this active group is dedicated to offering an opportunity for those who like to sing, while providing enjoyment for others as well. The Trees have entertained at many Fort Wayne sites. These include Laurel and Hardy's Pizza Palace, Saint Joseph's Hospital, The Lutheran Home for the Aged, and the Chamber of Commerce, to name just a few. They were also featured in Luers' Fall Drama, "Everyman '68."

To become a member of this group, you must be a senior who enjoys singing. Rehearsals are held on Thursday evenings.

Fr. Forest and Meg Muldoon rehearse for their duet, "Gentle on My Mind."

Forest and the Trees were an added highlight at the Christmas Concert.

## Trees Prove to

Laura Gamble, along with all the other Trees, participates fully in each song.

At the Mid Winter Concert, Rick Keefer sang his version of "By The Time I Get To Phoenix."

Among their many engagements, the Trees gave a performance at the Old Folk's Home.

Have you ever wondered what that beat is that makes you want to jump up out of your seat and start dancing at the pep assemblies? It is the rhythm that pulsates from the talented Bishop Luers Marching Band. Besides providing music for the assemblies, the band, under the direction of Mr. Gary Cooper, also puts on outstanding performances at the half-time of football and basketball games. At other times, the members demonstrate their skill at various contests and concerts throughout the year. These include the October 5 Marching Contest; the Christmas Concert, the March 16 concert, and the Music-Arts Festival on May 4. In addition, the band members hosted the NISBOVA music contest held at Bishop Luers on February 1.

## Luers Marching Ladies Aim

Twirlers exhibit precision in their salute to the flag at halftime.

Sparkling silver batons and red and black pom poms symbolized the marching girls who led the Bishop Luers Marching Band through their skits at half-time. A number of the girls had been added to the twirlers section this past year, which included a new group known as the Luerettes, or the Pom Pom Girls. Altogether there was a total of twenty girls performing along with the band, supplying the entertainment before and during the games. This demanded many different routines and included many hours of muscle-straining work. Mr. Gary Cooper advised the girls, while senior, Bernice Dammeyer acted as head twirler and led the group in routines and instruction.

By membership in the Art Club, self development in the fine arts can be obtained through speakers, movies, visits to the art museums and the creation of art projects. This year the Art Club actively fulfilled its purpose by being of service to the school and at the same time learning to appreciate art. Service to the school was rendered through displays, posters and stage sets.

Sister M. Paschal, O.F.M. headed the club with meetings held the first and third Wednesday afternoons of each month.

# Proficiency Develops Through Math Club

Under the guidance of Sr. Michael Ann and Father John Killop O.F.M., the Math Club convenes at seven o'clock every other Thursday night. The members of this challenging club strive to deepen their understanding and appreciation of mathematics while developing a greater proficiency in the field. This year, members spent time learning the intricate details of programming which included writing a program in Fortram III for math problems.

Membership is open to juniors and seniors who wish to broaden their knowledge in the field of math while having fun doing it.

# Librarians Display the Treasures of Books

Many thanks are given to our student library assistants for helping to keep Bishop Luers' library functioning. Under the guidance of Sister Maxine, these volunteers check books in and out, shelve books, write overdue notices, file book cards, and perform other necessary tasks. Without a doubt, these girls deserve much credit for the upkeep of the wide selection of reading material at Luers. It is a big job and these girls have proved that they are capable of fulfilling it.

## Theresians Experience Profitable Year

1968-69 for the Theresians of Bishop Luers proved to be quite a profitable year. Activities included the sponsoring of a new Theresian unit in Savanna, Georgia, and hosting the city-wide Theresian meeting at Luers. Once again the members traveled to Chicago for the annual Theresian convention.

Theresians is a club about which many wrong ideas are formed. It is seen as the testing ground for the future sisters of America. But aside from this it is an organization to better acquaint the lay people with sisters and other religious groups while instilling a better understanding and need for religious vocations.

Headed by Sister Michael Ann, O.S.F., the meetings are held the third Wednesday of each month.

## G.A.A. Provides

Did she or didn't she? Ask Joannie Nill!

Another year of girl's sports excitement was provided by the *G.A.A.* Under the moderation of Miss Roe, the club provided an opportunity for girls of all four grades to participate in an active school athletic program. This year, GAA girls engaged in such sports as bowling, volleyball, basketball, and dodgeball. A Christmas party was again presented for the members, and trophies and other awards were received by deserving feminine athletes at the annual GAA Awards Banquet, held this year on May 8.

Bowling champions for the 1969 season were (left to right) Karen Heine, Jeanne Weber, Cathy Curtis, and Linda Wiltshire.

Bullseye!!!

Another successful year has gone by for the Bishop Luers' Chapter of the Red Cross. Under the direction of Sister Jeanne Esther and president, Karen Heine, the Red Cross has served the community in many diversified acts of service. Included among their various activities were the staging of a Bake Sale in organization and planning of a party sponsored for the children of the Allen County Home.

This organization is not necessarily just for people who are thinking of becoming doctors or other medical personnel. The whole purpose of the Red Cross Chapter is to help people, and this year's group fulfilled this purpose during the school year.

## Bookmobile Advocates Decent Literature

Under the guidance of Sister Carol Ann, O.S.F., C.D.L. members strove to provide the school and general public with a greater variety of decent literature. This year's main activity was the paperback bookmobile which the group periodically stocked and managed. In keeping with the ideals of C.D.L., the bookmobile traveled through Ft. Wayne carrying many fine books to adults and children.

Meetings of C.D.L. members took place once a month. Membership is open to any boy or girl who is concerned with bettering the quality of literature distributed in the U.S. today.

# Z-Club Lends a Helping Hand

Similar to the Key Club, the purpose of the Zonta Club is to be of service to both the school and the community. In its second year, the Bishop Luer's Chapter of the Z Club, under the moderation of Sister Christopher, O.S.C., has lived up to this purpose as they actively engaged in many worthwhile projects. Besides sponsoring a coffee-house in which the proceeds went into a scholarship fund for an underprivileged girl, Z-clubbers also participated in the "cereal project", in which toy telescopes were constructed under contract to the General Mills Company. The money from this was donated to St. Mary's School in downtown Fort Wayne.

The French Club proved to be one of the most successful new organizations this year in the Bishop Luers realm of activities. Under the guidance of Mrs. Therrien, the "Cercle de amis Francais" was created to promote greater understanding of the French language, culture, and history. Meetings of the club were conducted entirely in French. Activities included the presentation of French plays and skits to interested French students. The meetings were also made more interesting by guest speakers and films depicting the French way of life.

The Spanish Club, moderated by Sister M. Ludmilla, has a two-fold purpose. It strives to promote a better understanding of the Spanish language and, at the same time, enriches the members with a background of the Spanish culture, tradition, and history.

The school paper, the KNIGHT LIGHTS, advised by Mrs. Dawn Thomsen, proved to be more than just an ordinary school publication this year. With the addition of the Journalism class into school curriculum, many staff members were provided with formal journalism training which was then put into practice by the publication of the paper. Besides encouraging good journalistic practices, the 1968-69 KNIGHT LIGHTS also strove to promote good leadership potentials among its staff while serving as the school's student-faculty voice of opinion.

Staff members are selected on the basis of their initiative and desire to work actively as a part of the Bishop Luers' Journalism Department. Besides time spent during school hours, extra work on the paper is also required after school and on weekends as needed.

Peggy GiaQuinta, Managing Editor, and Mike Welch, Editor-In-Chief, look to each other for cooperation and advice.

One year out of a lifetime. This year set down in print by pictures. These pictures concerned with people, times, and places, all of which have made up this year. And the people responsible for the recording of this year are the members of the yearbook staff.

The 1968/69 *Accolade* staff, consisting mainly of juniors and seniors, proved that a year already spent could be lived again by the proper use of photography and display. With the guidance of Fr. Manfred Schexnayder, O.F.M., they concisely brought together the people, places, and times of Bishop Luers to make the school year of 1968/69 one of the most cherished yet.

# FEATURES

Prom memories, a Candy Cane Christmas, Graduation, a Spring A-fair; all the things which represent the memorable part of life at Luers. Be it an after-game dance, an especially thought-provoking day of recollection, or Homecoming '68, the good times are cherished for what they were and for what they have meant to each of us. The wilted corsage, the play program, the torn dance ticket, will come to life again at a different time and place through the magic of imagination.

Awaiting the final decision the 1968 Homecoming candidates are: Sandi Mattingly, Rita Wall, Bernice Dammeyer, Julie Wiltshire, and Peggy Grimmer.

## Bonfire Sparks Homecoming

The Class of '69 is proven #1 by their winning float.

It's funny how the years come and go in such a hurry. But each year, the Homecoming provides an opportunity for the alumni of Luers to get together to talk about those days gone by.

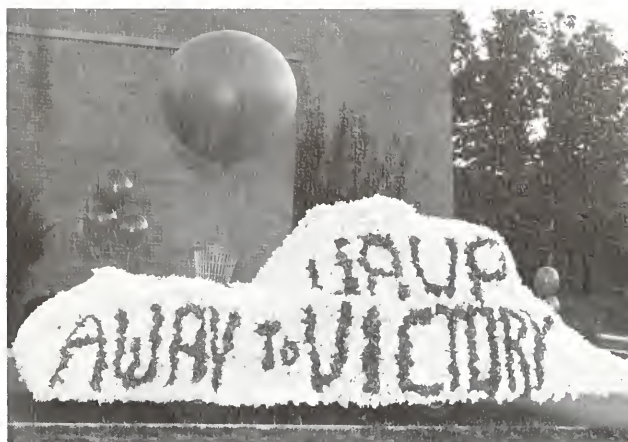

For the senior class, however, Homecoming '68 was a night to be remembered as they swept first place in the float competition with an "Arc of Triumph". As for Queen Sandi Mattingly, it was a night for always and ever.

The rest of the student body also had a swinging time with festivities at the Homecoming Dance held in the cafeteria that same night of October 5, 1968. Girls felt extra special sporting their corsages of white mums with red and black ribbons.

Yes, the mood was something quite different that fall night. Hopefully, it made many of us stop and think about how important and special these high school days are, realizing that they will end some day soon for us, too.

The freshman knight stands firm in the duel against the Irish.

It is "Up, Up, and Away" with junior spirit and imagination that created this float.

## People Who Need People

Like the paper dolls holding hands, the senior girls reach out to help freshmen, who need people.

Janet Jordan, chairman of the Senior-Freshmen Tea, speaks on the necessity of making new friends.

What was the second annual Freshmen-Senior Tea?

For the seniors, it was a melancholy recollection of days gone by. It was their opportunity to express ideas to the freshmen through talks and skits. It was the senior girls' way of initiating the freshmen into high school life.

For the freshmen, it was a scintillating experience that made them realize that life at Bishop Luers was to be active, confusing and exciting. They knew that there would be many trials and tribulations to face, but they also knew that the good times and carefree activities would overshadow any of the expected bad.

The Tea proved most important of all to be a tradition that has and will continue to pave the way for greater unity within the student body at Bishop Luers.

## It's a Real Barn-Buster

"If you don't ask him, I'll just kill you! It's your one big chance!"

"Don't worry; I'll kill myself if I don't ask him!"

Oh, how many girls were threatened with this fate around the time of the Great Pumpkin! For about a month before the big event, daily screams of "I did it!" echoed through the halls as each girl batted those lashes and popped the question.

"Will you go with me to the Sadie Hawkins Dance?"

"Sure, I'll go. Thanks for asking."

When the night finally came, the cafeteria was changed into a haven of good time for those hillbillies who had finally got their man. The music resounded with a rockin' beat and oh, . . . those slow dances! The joy of it all! That was the magic of Sadie Hawkins!

## Various Dances Unify Classes

Father Donnul introduces the coaches and their wives during a break at the Football Dance.

Dances constitute a means of unity for teenagers, and more so for the students at Bishop Luers. Our dances will be remembered most vividly by dance enthusiasts for the bright lights, live music, and relaxing atmosphere which they provided. A dance night was also a time for talking to people missed during the day and rehashing gossip with friends. It was a time for showing off new clothes, new ideas, or new dates. It was a time to have fun and not worry about what was going to happen next week or next year. Adding this all up, it is plain to see why dances are and will continue to be an important part of every Bishop Luers student's social life.

# Recollection Days

## Inspire Students

The days of recollection, held every Sunday during the school year, were started because of the dissatisfaction among the students with retreats held previously. As the year progressed, the priests, brothers, and sisters in charge felt that as a whole, this recollection method was more effective because students were given a choice as to attendance. Each program was centered on a theme such as responsibility, friendship, or leadership. Movies, speakers, multi-media sermons, and discussions helped develop these themes and made the days of recollection an enriching experience for all.

## Playwright with Everyman '68

"Everyman '68" with its uniqueness of design, message, and presentation turned the evenings of November 22, 23, and 24 into classic moments in the history of high school drama.

The story of "Everyman '68" centered around an allegorical figure of humanity, Everyman (Mike Welch) and his journey towards death. The many vices and virtues in human form he met and their reactions to him and his "cause" are what comprised the action of the play.

"Everyman '68" was a free and modern adaptation of the medieval morality drama, "Everyman", written by an unknown author. The play was supplemented with modern dialogue, and strikingly sarcastic humor in the revision by Fr. Alton Wintz, one of Luers' faculty members.

The musical score of the play featured Fr. Forest and the Trees. Many members of the cast also displayed their musical ability in such numbers as "I Want to be Your Comrade", "Take 'Em to the Grave", "Glitter, Glamour, Good Life", and "River is Wide".

"Everyman '68" was written and directed by Fr. Alton Wintz. Stage sets were taken care of by Sister Paschal and the Art Club.

# Inaugurates Tradition

Peppermint-striped candy canes, evergreen wreaths, and a glimmering white Christmas tree were the decorations for the annual junior-senior Christmas Dance held December 29, 1968. From 9:00 to midnight Luers cafeteria was transformed by a twist of the Dance Committee's magic wand into a "Candy Cane Christmas."

The Fewdle Lords provided the background music as couples danced and conversed. Freshmen and sophomore girls also made their appearance as they took charge of serving refreshments of punch and cookies. The high point of the evening came when Committee Chairman, Linda Pasternak, presented senior, Jim Garber, with a plaque which officially "crowned" him as the first annual Christmas King.

## an A-Fair

This year the Spring Festival at Luers was quite an A-Fair. It was all balloons and squirt guns and frilly aprons. There was the delectable cake walk and the shocking electric chairs. There was the Junior boy's basketball throw and the Mother's fishing pond. For those in the competitive mood there were the hot wheel races and the boxing booth. Sophomore girls were transformed into flower children, while the Sophomore boys operated a putting range. For those with a sweet tooth the Senior girls opened a candy store. Following the festival, the kids migrated to the cafeteria for the annual dance. In short, a soul session was held with the sounds produced by "This Daze Journey," finalizing the day's events.

An unprecedented amount of time and work made the 1969 Spring Festival an A-Fair to remember.

## Twelve Seniors

"Twelve Angry Jurors," chosen by Bishop Luers Drama Department as the 1969 Spring Drama, was presented to the public April 25, 26, and 27.

The story revolved around a juryroom scene, after a trial, as twelve jurors were forced to decide upon a final verdict. The trial, by no means ordinary, concerned a nineteen year old boy accused of murdering his father. The action of the drama was heightened throughout by an unusual array of witnesses, and of course, the twelve angry jurors.

"Twelve Angry Jurors", directed by Fr. Alton Wintz, O.F.M., with sets by Sr. Paschal and the Art Department, was the first serious play attempted by the Drama Department. However, this same dramatic quality was what made it a rewarding experience for all who attended.

"Are we or are we not a hung jury?"

## "Listen to the Warm"

May 16 was the date, 9-12 was the time, and Cutters Chalet was once again the site for the most memorable event of the year, the Junior-Senior Prom. "Listen to the Warm" was chosen as the title of the prom, and this theme was carried out with the decorations of blue, yellow and white.

Couples danced to the music of Jimmy Stier's Orchestra and then assembled at 10:30 to witness the crowning of Julie Wiltshire as the 1969 Prom Queen. Following the Prom at 1 a.m., the mood changed from formal to informal as After-Prom festivities began at Meyers Barn.

The 1969 Prom will be remembered, not only for its great success, but for its degree of originality achieved by the Prom Committee under Linda Heiny.

## from Both Sides Now

The evening of June 1, 1969, an almost perfect spring night, climaxed four years of sweat, tears, and rewards for 220 anxious seniors—the 1969 graduating class.

Mixed emotions were felt by all as, attired in caps and gowns, the senior students filed into the gymnasium for the commencement exercises. Parents looked on with pride as their men and women of tomorrow received their coveted diplomas. It meant the end of one chapter in their sons or daughters lives, while at the same time, it marked the beginning of another even more rewarding segment. And finally, Graduation was the true putting away of childhood memories and the taking on of mature responsibilities.

The long-awaited moment has come.

# SPORTS

An educational system would be incomplete without its sports program. With the addition of athletics in a scholastic environment, the body along with the mind, is strengthened and conditioned towards a better life within the world.

A healthy sports program embraces varsity, reserve and freshmen sports plus a conscientious physical education class. Through a participation in any of these areas, an eager student is able to achieve a degree of excellence in as many facets of growth and development as possible. A school sports program, such as the one at Bishop Luers, gives all a chance to experiment and discover hidden talents. Moreover, through participation in the athletic events, a sense of fellowship is created among the athletes and the rest of the student body, stirring an enthusiasm and spirit that makes for better unity within a school and well-rounded personalities among the participants.

# Football '68

1968 was, like the song says, "a very good year", as Catholic schools swept Win, Place, and Show in city records.

The season began well for the Knights when they stopped the Snider Panthers, 7-0 in the second night of the 1968 Football Jamboree. The Knights then proceeded to win acclaims from shocked coaches all over the city as they shut out South Side, 13-0 in the first game of regular season play. September 14 saw Luers tangle with the ever-powerful Roger Bacon. Humbly the Knights came out of the battle with a score of Bacon 31, Luers 0. Undaunted, however, the Knights came back into everyone's good graces by scalping the North Redskins, 26-14.

On September 28 at South Stadium the Elmhurst Trojans knocked the Knights from their coveted first place by defeating Luers 12-7. The Homecoming game was likewise spoiled as another rival, Central Catholic, caught the Knights by surprise, 20-7. The next weekend, however, the Knights traveled to Culver and handed the boys at the Military Academy a whalloping defeat of 41-7. Spirits were thus high for the Dwenger game. But the Saints displayed the power that earned them, in the end, the top spot in the city by handing Luers a very disappointing blow of 31-6.

Defeat only seemed to urge the team on to victory, as they took their next two foes, Central and New Haven, 21-14 and 9-3. Finally, on November 8, the Knights clipped the Concordia Cadets, 14-0, assuring themselves of an honorable berth of third place in city ratings.

## Luer's Varsity

The head coach of the Bishop Luers 1968 Football Team was Jack Lehr. Coach Lehr was assisted by Coaches Terry Mills, Charles Conville, John Sorg, and John Post.

Tri-captains of the Knights included Jim Murray, Tom Lauer, and Rorie Alter.

Dan Grim, Jim Murray, and sophomore Mike Egts placed on the Fort Wayne All-City First Team for 1968, while Rorie Alter, Mark Beery and Jim Gigli made the second team for Luers.

At the annual Football Dance on November 9, awards were presented to Rorie Alter as Best Defensive Player, Rick Quackenbush as Best Offensive Player, and Jim Murray as Most Valuable Player.

A school record in football was broken and re-set by junior Tom Strabbing as he completed 15 out of 18 attempts for extra points during the season.

Coaches Mills and Conville watch a significant reserve game.

The Reserve Football Team of 1968 discovered early in the season that losing as well as winning is all a part of high school football. The Reserves were victorious over Concordia and Dwenger, while they were defeated by Snider, New Haven, Elmhurst, South Side, Central Catholic, and North Side. The Huntington and Central games ended in ties. Although they finished the season with a 2—6—2 record, their determination throughout the season was great and their spirits high as they planned ahead to next year as varsity players.

With typical Frosh enthusiasm, the Freshmen players managed to pull through their first high school season of football in high style. They defeated Decatur, New Haven, Concordia, Homestead and Dwenger, while losing their first and last games to Garrett and Central Catholic respectively. Overall, the Freshman Football Team compiled a season record of 5—2—0.

# Manfred's

Wally Powell struggles to secure the lead of an important race.

Cross Country is a satisfying sport for those involved and an asset to a school's athletic program. This year's Cross Country Team, coached by Fr. Manfred Schexnayder, O.F.M., greatly magnified its popularity in the school as a team sport. The team's increase in size from twenty-six in 1967 to thirty-three in 1968 was partly due to more student interest in the sport in addition to an unusual number of freshmen recruits.

This year's best runner was senior Jim Garber, always first for Bishop Luers with times of 9:44 at New Haven and 10:03 at Foster. Ron Starost was the outstanding junior member as he held times from 10:25 to 11:22 which he ran while injured. Larry Arend and John Powell rounded out the star runner list as they consistently placed immediately behind Garber and Walt Powell in meets.

## Basketball '69

This was a year of disappointments and many surprises for the Bishop Luers Varsity Basketball Team. The squad, coached by Mr. John Sorg, kicked off the basketball season with a large win over Huntington Catholic, 70—41. However, it was not until four games later against Heritage that the Knights were again victorious. Wins and losses were tossed back and forth throughout the season as the team compiled a 9—12 overall record. Against city foes, the team took three games out of ten. Area and out-of-town games fared better for the team as they lost only four games and went on to win five against Heritage, Adams Central, South Bend LaSalle, Mishawaka Marian, and Howe Military. In sectional play, after a well-fought and exciting game, the team came out on the short end of the clock, defeated by New Haven's Bulldogs, 61—69.

Junior Greg Witte placed on the All-City and Diocesan Catholic All-Star Basketball teams. Honorable mention was also given to Jim Talarico, Mark Beery, and Tim Laughlin. High scorers for this year's team included Greg Witte with 229 points; Mark Beery, 209; Jim Talarico, 191; Tim Laughlin, 189; and Tom Lauer, 126 points total.

## Reserves Gain Experience,

Reaching high into the air, Luer's Reserve tries violently to gain possession of the ball.

A few quick moves enables Dave Bego to execute a perfect layup.

A black and white photograph capturing a dynamic moment during a basketball game. In the foreground, a player wearing a white jersey with the number 52 is jumping with his head tilted back, attempting to block the shot. Behind him, another player in a white jersey with the number 2 is in mid-air, performing a jump shot. The basketball is visible in the upper right corner of the frame. The background features a basketball court with a sign that reads "INDEPENDENT HOUSE OF W...". The image is grainy and has a high-contrast, vintage feel.

Urging the team to victory, the varsity cheerleaders express their vitality.

A cheerleader must be something more than just a peppy person. She must be imaginative, sportsminded, and above all, individualistic. This past year's group of nineteen cheerleaders assumed all of these qualities as they led Bishop Luers through another season as "Indiana's #1 House of Noise."

Besides updating all the old cheer routines, the varsity cheerleaders, Rita Wall, Gail Beery, Peggy Grimmer, Lynn Sitko, and Linda Wiltshire also planned the Football and Basketball Dances and helped organize the pep assemblies.

Reserve cheerleaders, Pat Curtis, Maureen Kramer, Joan Sullivan, and Marcia Colone, perfected their skills and participated in many pep assemblies with the varsity squad.

The ten freshmen cheerleaders, often seen in action only by their own class, were nonetheless the most spirited frosh group ever to shake a pom-pom in the Luers gym.

Yes, these were the '68-'69 cheerleaders. Each one an individual in her own right, yet working together with the rest to inspire the student body and instill confidence in the minds of the various teams.

Holding up the spirit lance, Rita Wall brings the excitement to a climax.

## Five Vivacious Girls

The varsity cheerleaders are Linda Wiltshire, Lynn Sitko, Gail Beery, Rita Wall (captain), and Peggy Grimmer.

The reserve cheerleaders are Patty Curtis, Maureen Kramer, Marcia Colone, and Joan Sullivan.

# Generate the Spirit

Group A of the freshmen cheerleaders are: Mary DeWald, Laura Curry, Julie Ruchel, Patty Collins, Mary Nill.

Group B of the freshmen cheerleaders are: Mary Bernetich, Cindy Butler, Judy Hoch, Tracy Shea, Ellen Meyer.

The reserve cheerleaders keep the enthusiasm running high.

## Track '69

*Track* is a unique sport which not only puts man against man, but man against the clock, as even a fraction of a second can be the deciding factor as to who wins or loses. This type of situation provides track with a challenge which proves appealing to many Bishop Luers athletes. Football stars, basketball players, and cross-countrymen alike pool talents on the track to offer end-of-year entertainment unequaled by any other spring sport.

This spring, the Bishop Luers Track Team gathered once more to re-enact the sport of the ancient cindermen as they pursued their positions in track. The team was once again under the direction of Coach Jack Lehr with coaches Terry Mills and Charles Conville assisting. Varsity managers included seniors Mike "Quaker" Vachon and Steve Dickmeyer.

Tim Strabbing, a real competitor, participates in the long jump.

**BOTTOM ROW:** S. Dickmeyer, R. Starost, D. Baumgartner, R. Hartman, N. Hayes, T. Strabbing, J. Murray, J. Garber, S. Ottenweller, J. Blauvelt, G. Roy, M. Choka, J. Giant, P. Teagarden. **TOP ROW:** Coach Terrence Mills, Coach Charles Conville, D. Bauman, D. Disser, J.

Putting every ounce of strength in his throw, John Gildea aims for a new school record.

Dave Himmelhaver, holder of both high and low hurdle school records, shows why he is one of the best in his field and regional winner in both hurdle events.

Rich Hartman skims over the bar as he strives for a first place.

Sophomore John Witte executes his perfect form, jumping to an astounding height of 5' 10".

One of the most powerful shot-put teams in the city stands left to right: B. Pallone, T. Lauer, B. Shea, R. Quackenbush, J. Gildea, and M. Egts.

## Track Keeps Reserves,

Paul Carteaux and Pete Ottenweller stay in shape for forthcoming competition.

Paul Skevington exerts every ounce of effort during a long two-mile race.

Backing up the varsity in their track and field efforts were the Reserve and Freshman *Track Teams*. With the schedule of meets that were closely related to the varsity, reserve, and frosh track members followed in the footsteps of previous track stars as they strove to condition their bodies and minds to the rigid performances. Coaching the reserve track team this year were Terry Mills and Charles Conville. The freshman team was directed by John Post. Reserve managers included juniors Mike Grimmer and Pat Teagarden.

Mike Smith, with that extra effort, clears the bar.

## Frosh in Condition

*Freshman Track Team*—**FIRST ROW:** J. Savio, P. Carteaux, K. O'Connor, J. Whirle, D. Bauman, D. Michealis, J. Bauermeister, D. Kintz, T. Hageman. **SECOND ROW:** D. Jordan, S. Grimmer, T. Lerch, J. Azevedo, P. Ottenweller, D. Kelly, C.

Ron Wendeln smashes the ball over the net.

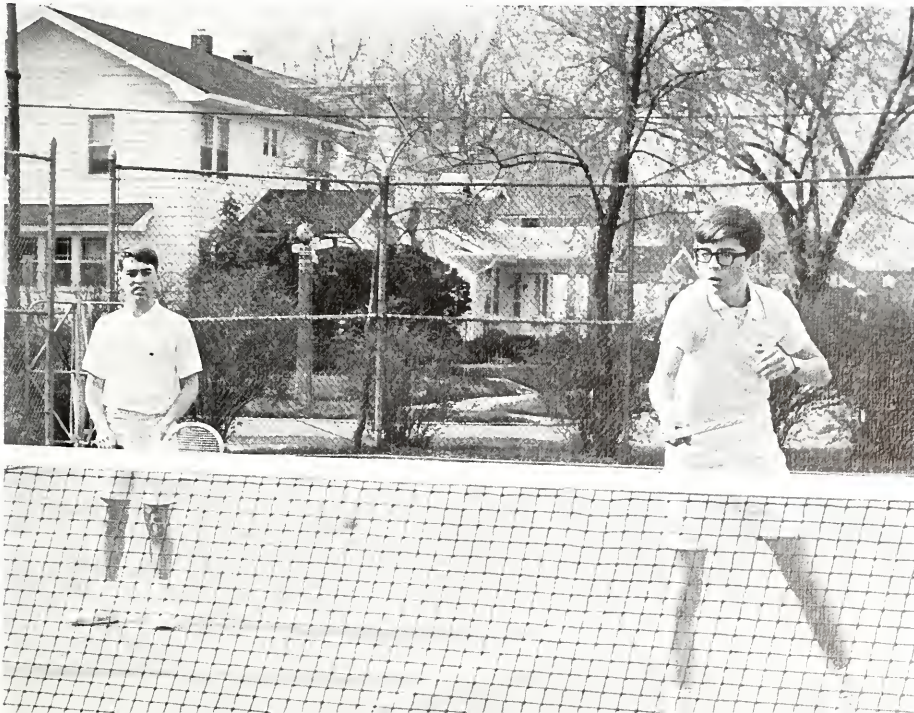

This year, Bishop Luers again sported an outstanding tennis team. Under the training of Fr. Xavier, the tennis players compiled a solid 7-3 record for the Fall tennis season. The team started out the season with a victory over Central Catholic. The winning streak continued over Lakeland, 4-3 and Elmhurst, 4-3. In the next match, South Side edged Luers, 4-3, but the boys regained their victory standing by beating Lakeland, 5-2, Snider, 5-2 and Central Catholic, 4-3. The next two matches proved disastrous for the team as Condordia and then North Side slammed 7-0 wins over them. However, the team finished out the season with the same kind of definite win over Central, 7-0.

Tennis grows in popularity each year at Luers and the team grows in members. The 1968/69 Tennis Team included: Jim Lanchied, John Peterink, Ed Phillipp, Tim Rebman, Bob Spirone, Steve Spoltman, and Ron Wendeln.

## Impressive Record

A quick return by Jim Lanchied helps Luers win another one.

Jim Huth gets teed off.

Morrie Hoevel breaks in his new shoes while practicing his golf swing.

## Golf Team Improves

John Jacquay judges the distance before he takes his shot.

The season started out badly for the Bishop Luers *Golf Team* as they lost first to North Side and then to Elmhurst. After a period of concentrated practice, however, the boys set themselves on a path to victory, defeating Central, Central Catholic, and then Central once more.

Senior Jim Huth sported the best average for the team with a record of 39.2. He was followed in his efforts by senior Morrie Hoevel, with an average of 42.0. The rest of the team improved greatly over the season, aiding in the united effort. Their skill and practice combined to make the Golf Team a real asset to the list of Luers athletics. The 1968/69 Golf Team was coached by Fr. Vernon and included Morrie Hoevel (captain), Larry Morgan, Bill Osterholt, Jim Huth, Jim Michell, Rob Robertson, Ed Hagan, Mark Schilling, Mike McAleavy, John Jacquay, Richard Pendergast, Don Stabler, Steven Romery, and Richard Dykhuizen, and John Lauer.

*Golf Team—FIRST ROW: J. Jacquay, R. Robertson, M. Hoevel, L. Morgan, J. Huth, SECOND ROW: Fr. Vernon, E. Hagan, J. Lauer,*

*R. Pendergast, B. Osterholt, S. Romary, M. McAleavy, D. Stabler, M. Schilling, R. Dykhuizen, and J. Michell.*

## Excitement to Bouts

After some five weeks of coaching and hard work, bells rang and fists flew as the 1969 Luers Bengal Bouts resumed on March 28, 29, and 30 for the fourth year. An extra treat to the boxing conditioning was added this year when former heavyweight champion, Ernie Terrell, visited the Luer's gym on March 6 to instruct the boys in methods of better boxing. Our coaches were informed at this time by Mr. Terrell that, in his opinion, Luers had the best high school boxing program he had ever seen.

All boys who participated in the program must be commended on their fine job, and in particular, the twenty-three "chamos": Robin Slocum, Joe Sperone, Ernie Vogel, Dave Jordan, Mark Alter, Rich Trabel, Mark GiaQuinta, Dave Bolinger, Rick Schutte, Larry Butler, Dave Baker, Bob O'Leary, Mike Tone, Sam Mattingly, Bill Schott, Nick Alter, Steve Herber, John Peterink, Tom Strabbing, Neil Hayes, Bob Rectanus, Rick Quackenbush, and Rorie Alter.

Four knockouts were recorded in this year's Bouts with Mike Tone, Mark Alter, Tom Strabbing, and Rick Quackenbush providing the powerful blows.

A very large crowd came to see this year's Bengal Bouts.

Under the management of Fr. Labre, the 1968-69 *Handball* program provided a chance for many to engage in a sport completely different from basketball, track or football. Handball is a fast game requiring much coordination and attention. This year, over thirty junior and senior boys tried their luck at this challenging sport by participating in the intramural handball tournament. After many shows of talent by the handball players, the final team championship went to seniors, Mike Welch and Mike Howeth.

In its third year, the *Intramural Basketball* program proved to be once more a great success. Over 190 boys, divided into 19 teams participated this year. Varsity members of the basketball team served as captains while our coaching staff took the positions of referees and time-keepers. After many exciting and enjoyable rounds of intramural B-ball, junior Charlie Berg's team stole the basketball championship by defeating junior Greg Witte's fine team.

# PERSONALITIES

A face that we might soon forget, one that we will undoubtedly remember. Beautiful faces, lonesome faces—each one etched with the trials, joys, and other moods that they have experienced. These faces all belong to people whom we have come to know and respect. They belong to the personalities who composed our hours at school while studying and learning. Soon these personalities extend into more than just faces. They become hands that guide, mouths that advise, and emotions that sympathize. They become for us a form of security that shapes our characters. Finally, we are taught to appreciate each other as more than just faces in a vast de-personalized world.

## Our Principal, Father Donnul

Everything must have a supervisor to keep operations running smoothly and efficiently. Luers recognized this head as *Father Donnul Suttman, O.F.M.*

As the leading ambassador of our school, Father Donnul had many important duties to perform. Wherever he went and whatever he did was in the interest of the enrollment of Luers. He stood up for his principles and ran the school according to them.

Father Donnul succeeded Father Edmund Moore, O.F.M. as principal of Bishop Luers in June, 1964. Prior to this, he taught Algebra I and II, Trigonometry and Religion II at Roger Bacon in Cincinnati.

Only Father Donnul himself knew all of the intricacies involved in running Bishop Luers High School. We appreciated him for his whole-hearted interest in making our high school days the best.

Father Donnul is celebrating Mass for the intentions of all.

Among his many other chores around school, Father Conan prepares lessons for his daily classes.

## Our Assistant Principal

Disciplining over 1100 students was a nerve-racking job which required a firm hand. At Luers it was placed under the guidance of *Father Conan J. Taylor, O.F.M.* It was up to him to take action when the students got out of hand.

Beside acting as assistant principal, one of Father Conan's most appreciated services to the school was printing the *Knight Lights*. Each week he turned out a log of Luers news and activities.

Father Conan attended Duns Scotus College and earned his Masters Degree in Science from the University of Cincinnati.

A big thanks went to Father Conan for his conscientious effort in helping Luers.

Father examines a log for lichens.

In his second year as Dean of Boys, *Father Labre Begin, O.F.M.*, was constantly striving to improve the atmosphere of Luers by keeping all discipline problems in check. He was aware of the causes of these problems and did what he could as dean to solve them. He is a man who possesses a dignity and grandeur that aided in making him an effective dean as well as a likable person.

Father Labre received his Bachelor of Arts Degree at Duns Scotus College, Detroit, and his Masters Degree in Education at St. Francis in Fort Wayne. He taught American History and French I and II.

A dean of girls had to be a special type of person. She possessed the ability to analyze and give an unbiased, fair judgement in all kinds of situations. She was a person with a sense of humor to enable her to get through the day, while at the same time display an equal amount of dignity, or in layman's language, the ability to keep her "cool." In our Dean of Girls, *Sr. Michael Ann, O.F.S.*, we found all of these qualities. And these, along with her ability to command instant respect and admiration from the students, were all parts of what made Sister a successful dean.

Sister Michael Ann taught Math Analysis and Physics to the seniors and was moderator of the Theresians. She received her Masters Degree in Physics from DePaul University, Chicago.

"Do you have . . .?"

## Deans Stress Duties

That is what they all say.

It is only for an hour or so.

# Office Staff Fulfills the Perfection of Bishop Luers

Among many of his duties as head treasurer, Father Flavian signs all checks for the school.

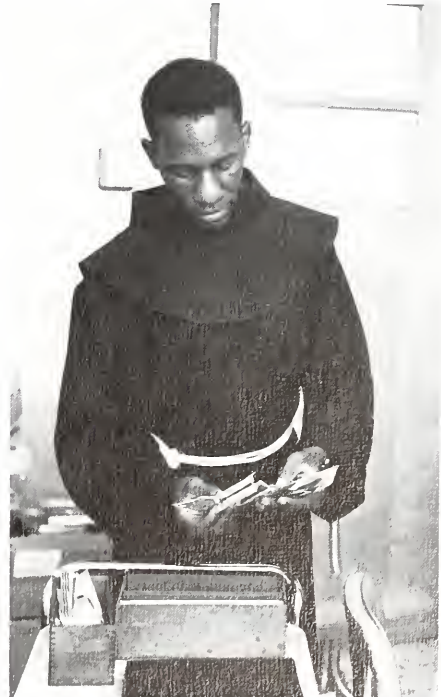

Mrs. Miller diligently types at her desk.

The little room in the front of the building functioned as a miscellaneous department. Any information from A to Z could be found with the understanding assistance of *Fr. Flavian, Brother David, Mrs. Hankee* and *Mrs. Miller*. They sorted through the maze of processes which involved running a good school—LUERS!

It took a great deal of time, effort and determination to run a school and keep the records straight. These qualities were embodied in the members of the office staff.

As assistant treasurer, Brother Dave checks over the school's income.

Mrs. Hankee answers one of the many phone calls coming into the school.

Miss Mahon discusses the qualities of a student with a possible employer.

A woman in a counseling position has an advantage over a man. She is often able to mix statistics, hard facts and cold reason with a woman's intuition in order to get the most effective solution to a problem. Such a woman is *Miss Agnes Mahon*, who served her second year as Guidance Counselor here at Bishop Luers.

Miss Mahon received her B.S. from St. Joseph's College, Emmitsburg, Maryland; and her M.A. in Education from the University of Notre Dame. In addition to her guidance work, Miss Mahon also taught English to freshmen girls.

Our Assistant Guidance Counselor, *Father Alton Wintz, O.F.M.*, had the distinction of being a playwright. He wrote and directed the Bishop Luers' Fall Drama, "Everyman '68." As Counselor, Father was in charge of the Occupational File, which provided information on any and every career that students may have been interested in. An involved and understanding person, he was always ready to listen to any problems concerning the young people of today.

Besides his guidance work and writing, Father Alton taught English to sophomore boys. He received his B.A. from Duns Scotus College in Detroit, and his Masters in English from Xavier University.

Father Alton searches for the answer to a student's problem.

## Mentors of

Father Braden, Father Alton and Miss Mahon converse with one another on the importance of a subject.

As Spiritual Director, Father Florentine conveys God's message to the students.

A man who was vastly aware of the ever-present and growing problems facing teenagers today was our head Guidance Counselor, *Father Bradan Boehman, O.F.M.* Father Bradan, after he received his B.A. and M.A. in Counseling from Notre Dame University, served as Guidance Counselor at Bishop Luers for six years and was a busy man with an important job to carry out. Besides having helped students solve emotional problems, Father also served as an aid in choosing careers, colleges and curriculum.

A man on the go—a man with ideas was *Father Florentine Rayes, O.F.M.*, Bishop Luers' Spiritual Director. This year, Father Florentine did away with the compulsory retreats and initiated the monthly class Day of Recollections to take their place. Another new innovation was the Bible/Literature course offered to parents of students. In addition to his work as Spiritual Director and his job as moderator of Film Club, Father also taught Spanish I and II, and team-taught Advanced Religion IV with Father Vernon, and Advanced English IV with Mrs. Thomsen.

## Life

## Our Women Behind the Scene

Mrs. Murphy makes sure that there is enough for all.

So you flunked your Algebra test and it ruined your whole morning. What you needed was a good lunch to take your mind off of it.

Every day the ladies of the cafeteria prepared food for the students and faculty of Luers. With the painstaking care of Mother, they cooked for a family of 1100, realizing the importance of their job. Their motto? "You are what you eat."

The cafeteria mothers of Luers were Mrs. Duffy, Mrs. Roberson, and Mrs. Murphy. Their dedication and friendly spirit each and every day, helped make lunchtime beam as the central part of the day. They knew that a smile and a good lunch could help you forget about anything, even that Algebra test.

Collecting money is a daily task for Mrs. Roberson.

## Our Men Around School

Mr. Healey changes one of the many lights in the school.

Among all of Mr. Muldoon's important jobs, one is clearing the drive of snow.

Our two capable maintenance men labor many hours in these surroundings.

Has the world really become polluted? Have we been overtaken by little molecules called dirt?

The maintenance staff of Luers did their best to fight this war. Armed with brooms, bug bombs, soap, rags, rakes, and water, they went all out to keep Luers in tip-top shape. But each day the opposing troops arrived, bringing with them a new battle to fight.

Mr. Muldoon and Mr. Healey deserved medals for their outstanding services to our school.

## Best of '69

Perhaps the most arduous journey a man must take is the one following the road of maturity. The class of 1969 has traveled a long way in the four years they have spent at Bishop Luers. They have endured the rigorous testing grounds of freshman year with its gym classes, combination locks, dances, and new ways of life. They have passed through the "forgotten" year of 10th grade with its "sophomoric" state of affairs. Colors flying, they breezed through junior year with the honor of being upperclassmen. Finally, in their traditional spirit of pride and enthusiasm, the class of '69 terminated their high school career with a never-to-be-forgotten senior year—a year filled with constant efforts to build a better and greater school.

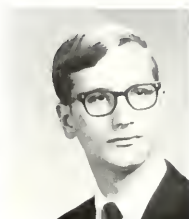

The class of 1969 is best described as everchanging and never indifferent. Through the establishment of Christmas traditions—the Christmas tree and the King, class trips and parties, and the Spring Cleanup, their active interest in each other and their school was illustrated. The class of '69, though notoriously high-spirited and strongwilled, has tried with each passing year to instill a serious sense of community pride and a strong spirit of unity in the halls of Bishop Luers. They have honestly endeavored to give of themselves in a typically selfless and unabashed manner. And so the class of 1969 graduated from Bishop Luers with the knowledge that each one of them left more than mere memories behind them.

“We Dare Not Look Back to Great Yesterdays;  
We Must Look Forward to Great Tomorrows.”

—ADLAI STEVENSON

The year 1969 was an outstanding one and it produced an equally outstanding senior class. During the past four years its members strived to become a more unified and spirited body. The *Accolade* staff congratulated the entire senior class, but as in past years, gave special recognition to only five girls and five boys.

Faculty members voted on the basis of academic ability, extra-curricular activities, and especially contributions to the betterment of their class and all Bishop Luers. With this in mind, the ten students shown here were selected.

Jaenicke Gardens in Swinney Park served as the setting for these pictures of the 1969 *Accolade* Award recipients.

# Experienced Juniors

Why is the third year of high school labeled as "Junior?" Just like a father-son relationship that exists in a family, this mutual connection is a goal at our school. The Seniors lead the way and the Juniors learn to follow. They learn from the Senior's mistakes and profit from their successes, just like a son learns and profits from his father's example.

As a child grows, his responsibility grows. By the time that Junior year rolls around he becomes aware that he no longer is a child but is reaching adulthood. The pressures of a job, graduation, and college entrance all pull on his character which has been forming during the past seventeen years. The decisions that he makes then affect the rest of his life. These decisions prove the success or failure of the Junior-Senior, father-son relationship.

## Vibrant Sophomores

It's kind of hard to be struck right in the middle of things. Take the sophomores for instance. The growing pains of freshmanhood have been left behind, yet the step toward being an upperclassmen is yet to be taken. Many new responsibilities are bestowed upon sophomores for now they are to be considered "on the ball." Their initial naivete as freshmen should be replaced with some good sound motives backed with loads of ambition, urging them to grab on firmly and open new doors that they were afraid to try before.

But never let it be said that this class lost it's freshmen knack of cutting up. During the course of the year, they always managed to spring a few stunts which proved to be quite sophomoric in the outcome. Afterwards, however, they always pulled through and proceeded to do some good deed which forced the upperclassmen to hang their heads in shame and a little envy.

Enthusiasm coupled with that lingering quality of freshness add up to the charm and memories of sophomore year. You know, it is kind of fun being stuck right in the middle of things.

## Enthusiastic Freshmen

Freshmen are doomed from the beginning. From the time that they are initiated at the Jamboree with ruby-red lipstick to that first time that they ruin the class cheer, they are doomed. That initial day at school is a pretty good sampling of what is to come. The sharpened sophomore eyes are just waiting to catch a frosh in some act of stupidity. The "refined" upperclassmen gloat their supremacy over the "Poor fools."

The frosh finds a ray of hope, however, in the faculty. The teachers realize that the odds are greatly against these new saplings who haven't yet found a place to take root; and they are more than willing to rescue one of these bewildered students.

Despite all of the obstacles of freshman year, it is an exciting and rewarding time for all involved. One which will be remembered for the gaiety of their newness as well as the hardships.

## Be Remembered in Future Years

Bishop Luers High School has passed through another year. In this book the yearbook staff and I have tried to capture every memorable moment. We hope you enjoy it and treasure it as a remembrance of your life as a knight or lady of Bishop Luers.

I would like to thank everyone who had anything to do with the production of the 1969 yearbook. I would especially like to thank the section editors: Linda, Sharon, Julie, Janet, Mary Lou, Linda, Donna, Greg, Chris, and Mike, for their help in the production of this great yearbook. I would also like to thank the photographers: Fr. Alton, Fr. Manfred, and Fr. Clyde, and Mr. Arthur and the American Yearbook Company.

We had fun working on the yearbook, and I'm sure that each and every one of us will remember and miss the last-minute rushes to take pictures, the late hours before the deadlines, and the yearbook party.

We worked hard and long and we hope that you enjoy the book. So, now I would like to say goodbye as Editor-in-chief and hand over the book to next year's Editor, Kathy LeClear. Good Luck!

Sincerely,  
*Tom Kelly*
